**BULLOCK PEN WATER DISTRICT  
Water Turn-On Release Form**

I represent and warrant to the Bullock Pen Water District (the "District") that I am the owner or lawful tenant of the premises located at \_\_\_\_\_ (hereinafter the "Premises"). I acknowledge that the District's normal policy is to not turn on water service unless I am at the Premises at the time of turn-on. I acknowledge that this policy can avoid such damages as those caused when faucets, valves, or other uses of water in a premises are left on or faulty and the water runs while not properly supervised. Notwithstanding the foregoing, for my convenience I hereby request and authorize the District to turn on water service, both for initial service and turn-ons following a disconnection, even if there is no one at the Premises. I understand that I should turn off all faucets and valves, and confirm the proper operating condition of same, or turn off the main shut-off valve, and take other precautions necessary to avoid water damage when the water is turned on when no one is at the Premises.

For and in consideration of having the District turning on the water service to the premises when I am not present at the Premises, which is for my convenience, I hereby provide the following release and indemnity:

1. For myself and for my heirs, executors, successor and assigns, I hereby to the fullest extent permitted at law and equity release and forever discharge the District and the District's commissioners, officers, employees and agents from any and all claims, demands, damages and causes of action relating to any property damage or personal injury, including death, arising from or related to the turning on of water service to the Premises when I am not at the Premises or when no one is at the Premises.
  
2. Further, for myself and for my heirs, executors, successor and assigns, I hereby to the fullest extent permitted at law and equity agree to defend, protect, hold harmless and indemnify the District and the District's commissioners, officers, employees and agents from and against any and all claims, demands, damages and causes of action relating to any property damage or personal injury, including death, arising from or related to the turning on of water service to the Premises when I am not at the Premises or when no one is at the Premises.

I provide the above release and indemnity on the date written below.
